Subject: Submittal: Response-to-Comments Letter, Proposed Additional Sediment Sampling, Sims Redwood City

Juliet,
The attached letter provides responses to EPA comments, dated 10/26/2016, on the *Interim Sediment Investigation Results and Proposed Additional Sediment Sampling* for the Sims Metal Management facility in Redwood City, California. We have expanded the proposed sediment investigation in response to EPA comments. The letter includes revised figures showing additional proposed sediment sampling locations.
Please contact me if you have any questions.
Regards,
Peter
